M OUR Relationship/ DAD'S Film

"I don't want to know what you did last night. What did you do?"

H

"I was sick last night. I went to sleep early."

M

"Alone?"

H

"No."

M

"Well, I watched an 8mm movie ~~was~~ my DAD made in 1968.

It had flowers, dandelions, and bumble bees, cats mating,

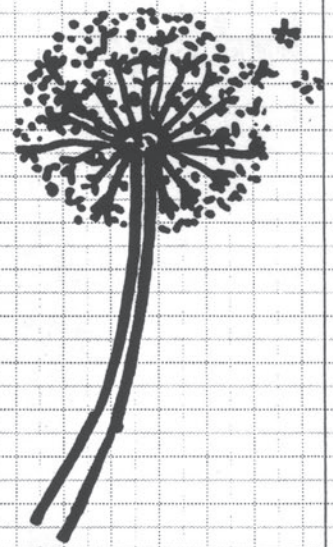

it was very fertile and psychedelic, not that he was on drugs; he was just high

on life. At one part I

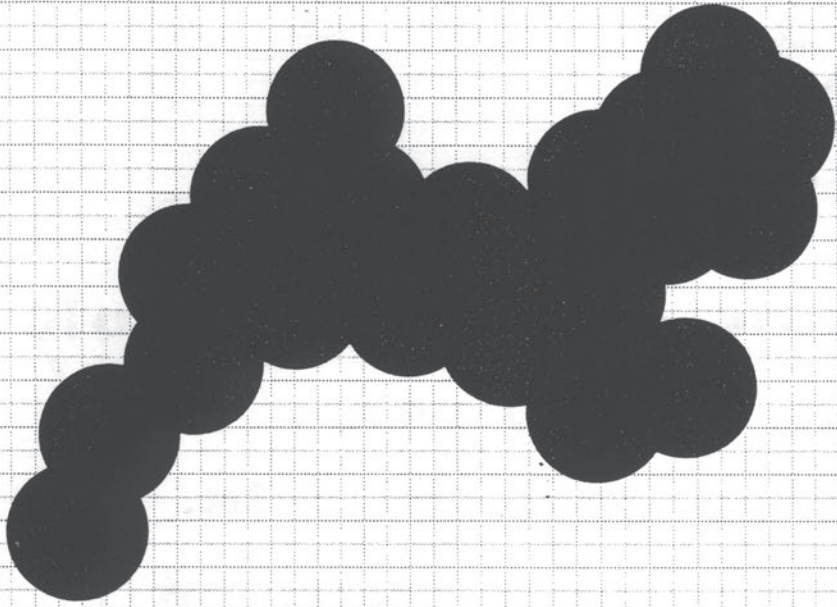

didn't know what I was looking at, it was obscured with purple paint

and then gradually I realized it was my Dad's cock and then it

cut to my mom's face with an

expression I'd never seen before,
she was nursing my brother."

The Tangerines

"What I want to say about the tangerines is that I only bought them because you were getting some too. You might have thought they were Clementines, I don't know, they're sure hard to peel. Guess how many I've eaten? I've ~~eaten~~ ^{eaten} one. I'm going to have to give them away as prizes or something."
